<b>Job Description</b>			
<p>We are a family business with 40 years of experience in supporting local contractors, builders, landscapers, and craftsmen, as well as the public with all their plant and tool hire needs. We have six conveniently located Hire Hubs across Surrey, Hampshire, Berkshire and Kent with sites in Farnborough (head office), Farnham, Guildford, Basingstoke, Reading and Maidstone.</p> <p>We approach our business with dedication and pride ourselves on the loyalty of our customers, many of whom keep coming back for the same competitive pricing and peerless after-sales support that they have come to expect. We are committed to supplying quality equipment, which is always in stock. Our plant hire fleet is replaced every 12 – 18 months, ensuring customers are always hiring machines that are modern, efficient, and reliable. We currently have a requirement for a Mobile Service Engineer to be based out of Farnham but cover the areas where our plant and tool hires are being used.</p> <p><b>Responsibilities:</b></p> <p>Repairing, servicing, and maintaining all tools and powered access equipment including electrical and hydraulic repairs, along with petrol and diesel engines.          Attending breakdowns off site          Working as part of a team in a workshop environment          PAT Testing desirable          Completing any relevant repair and service paperwork. You will need to be computer literate for this.          To participate in training programmes as required.</p> <p><b>Skills:</b></p> <p>Understanding of electrical, hydraulic and mechanical engineering</p> <p>Monday to Friday – 7am – 5pm/5.30pm</p>
